## From Pastor B.

**A**ugust newsletter, that must mean that school is about to begin again. What a great time it is with all the anticipation that comes with the new year. We have a new freshman class, our last year's junior are now the senior class taking the lead in the school. There is the anticipation of how things will go in all of the athletics and activities of school year and how the new classes that are taken will be. Such excitement.

**W**e rejoice in the new staff members who are joining the Heartland family. Mr. Chuck Oliver is coming on board as our assistant principal and religion classes. Ms. Jo Moody is our new guidance counselor and Spanish teacher along with Mr. Seth Heidtbrink who is our new

Science instructor. We welcome them and are excited that they are a part of our family this year.

**N**ew things for the school year contain the beginnings of a new Science offering for our 9<sup>th</sup> graders – Earth Science. We will also be adding a Consumer/Business Math course to our Math offerings.

**T**here is a matter of extreme importance that I desire to address with each of you. On our school's web page you will find a link that shows Noah's Ark. I encourage you to look at the information shared there and its connection to our school's financial needs in the coming day, months, and years. How great it would be if you would consider becoming one of our Ark Stabilizers. We, as a school, are at a critical financial

crossroads and we desire to see that all of our financial obligations are being met and that the mission of our school continues far into the future. I would also suggest that you check out the Development Dialog as well to keep you informed of what is happening with regards to our financial stability.

**W**elcome back to everyone and know that my continued prayer for all of you in the Heartland family is that the Lord bless and keep each of you and yours in all things. In His Service,  
Pastor Busskohl  
Ex.Dir./Principal

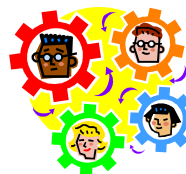

**You are invited to

#### FROM OUR DEVELOPMENT DIRECTOR:

Septemberfest 2010 is September 12, 2010 from noon to 4 p.m. Please plan on attending. The event will have a variety of new changes in the games and this year we have entertainment by Gayle Becwar (comic/magician) that will be sure to be FUN for the WHOLE family! The next planning meeting is August 23 at 7 p.m. We need everyone to show up for this meeting so we can finish the planning. Our goal is to surpass \$10,000 that will all go to tuition assistance.

Remember to take a look at our new programs and see where you can get involved in the HLHS Ministry - Ark Stabilizer, Hornet Day Sponsor, and Hornet Prayer Warriors.

Please contact me if you would like to be involved in one of the above mentioned programs or if you

are willing to help somewhere else for the benefit of the ministry here at Heartland Lutheran.

God's Blessings  
Lloyd W. Wagnitz  
Development Director
