

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Homecoming

Last week was homecoming week at school. We celebrated with dress-up days, class competitions, and lots of decorations. Students were full of school spirit culminating at the football game, coronation, and the homecoming dance. One of the most fun parts of homecoming is seeing alumni return for the evening. Many of our former students come back and fondly share what high school was like when they were in school, who is still here, what's changed, etc. They will always have a home here at Heartland Lutheran.

John 14:2 says "My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you?" We know that we have an everlasting homecoming to look forward to someday. Through Christ's life, death, and resurrection, we are promised a heavenly home. Just as everything doesn't always go right during homecoming week at school, life on earth isn't always wonderful. But, we have hope for the future, hope of the homecoming that is to come where all believers will be welcomed into heaven. Take comfort in that assurance!

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Student Voice

What I love the most about Heartland is the people that go here and the relationships I've made. When I say people I'm not talking about just the students but also the staff and donors that help the school. The staff I've met are some of the most influential people I have ever met. Everyone from Heartland has had an effect on who I am today.

Tyrese (Class of 2024)

Join us for the Christmas concert on December 12 at 7pm at HLHS along with the Trinity middle school students

For the Spirit God gave us does not make us timid, but gives us power, love, and self-discipline.

2 TIMOTHY 1:7

Teacher Spotlight

A member of the Heartland Lutheran faculty since 2015, Ms. Johnson is a veteran of the public school system who loves caring for students and helping them reach their highest God-given potential. Whether it be in the Spanish classroom, helping student decide on a college, searching for scholarships, or being a rock for a student when they are struggling, Ms. Johnson is there for the students of Heartland Lutheran High School. No one brings the energy, unique perspective, and love that Ms. Johnson brings everyday for her students and coworkers. Outside of school she enjoys spending time with her two daughters, traveling to visit old friends, and window shopping.
