

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Christ is Our Foundation

Some of our juniors and seniors recently returned from Washington D.C. where they had a wonderful time experiencing the monuments and museums that hold the artifacts that make up the foundation of our country. Our founding fathers met, wrote, and passed on to us many documents that have become this foundation. While following this foundation is important, our true foundation is in Christ. As we think about Holy Week and our Easter celebration, we are reminded that Christ suffered, died, and was buried for our sins, but also that He rose and lives eternally with all believers. "For no one can lay a foundation other than that which is laid, which is Jesus Christ."

(1 Corinthians 3:11)

May your foundation always be built on Christ for it is through faith in Him that we are saved.

Have a blessed Easter!

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Student Voice

I am thankful that I had the opportunity to attend Heartland Lutheran High School all four years. Heartland Lutheran High School has aided and shaped me in becoming a well rounded scholar and athlete. I got the chance to form stronger connections with students, teachers, coaches etc., both spiritually and academically. Attending a school like Heartland has provided for and guided me towards the path of future success and personal growth that will continue even after graduating. By virtue of attending HLHS, you will obtain high academics; be in a family-like environment where you will grow, learn, and thrive; and be surrounded by teachers and students with the same moral stance.

-Kiki, senior

I can do all things through Christ who gives me strength.

PHILIPPIANS 4:13

Teacher Spotlight

Mr. Krall is a Grand Island native and joined our faculty for the 2017-18 school year after teaching in Denver, Lincoln, and Hastings. Mr. Krall is well known for his coffee, his love of Philadelphia sports, and for the great relationships he forms with his students. In his first school year on the Heartland Lutheran faculty, the students named Mr. Krall their Teacher of the Year because of those relationships, life advice, and pep talks. Outside of school you will know Mr. Krall's voice from the radio as he is a sportscaster for GI Family Radio and the voice of football for Grand Island Central Catholic. He also enjoys attending sporting events and traveling. We will miss Mr. Krall as he moves on to his call to Florida for next year!
