

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Soaring and Flying

One of my favorite times of the year is track season. It is fun to see students working hard and competing against others in tests of physical fitness and strength. Track is one of the few sports where they earn accolades based on their own merit and not always as a team. It's inspiring to see students working hard toward goals and to see their excitement when they achieve their goals and personal records.

Isaiah 40:31 says

"but those who hope in the Lord
will renew their strength.

They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint."

God gives us the physical and mental ability to soar and run and achieve great things here on earth. But, even more exciting is the hope in the Lord for our future in heaven. Because of Jesus' death and resurrection, we will all soar one day in heaven with Him, regardless of our merits here on earth. In the meantime, all glory to God as we work hard running, walking, working, and jumping over a high jump bar!

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Student Voice

What I am thankful for at Heartland Lutheran is that we have the opportunity to be in a Lutheran school and have the opportunity to talk about God. I thank God for giving me the opportunity to be in this school and do all the good things that God wants us to do. Be involved and show the school some love. I am thankful for the ability to have teachers that can help you when you are struggling or having bad times and having classmates that always help you when you need help.

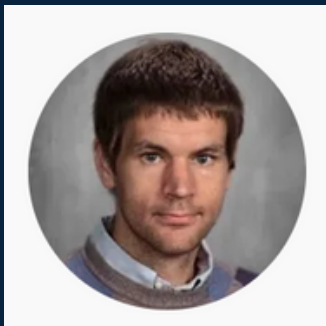

Tenisha, Class of 2026

Join us to celebrate our graduating seniors on Sunday,
May 19, 2024 at 2:00pm in the school gym

For the Spirit God gave us does not make us timid, but
gives us power, love, and self-discipline.

2 TIMOTHY 1:7

Teacher Spotlight

We are excited to announce that Mr. Daniel Gibson has accepted the call to teach science classes at HLHS next school year! Please welcome Daniel, his wife Emily, and their children to the Red Hornet family. They'll join us later this summer.
