

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Change is Coming!

"Again Jesus spoke to them saying, "I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life." John 8:12

Lightning is a natural phenomenon that shows us an earthly glimpse of God's power. When lightning strikes, we can see our surroundings, however briefly, in the dark night. With God, we see the path for us through Christ and His Word. Jesus lights up our life. Change is coming for Heartland Lutheran in many ways, but the end result is the same: showing Jesus' love and light to students each day. As we transition to being GI Lutheran High Lightning, let's remember to shine our light on others, in words and actions, to reflect God's love to those around us.

Go Lightning!

Student Voice

How are you feeling about the changes coming for HLHS next year?

I'm actually excited. I like the lightning logo and new school colors. Navy and gold are good colors. I hope everything goes well next year!
