

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Snow Days

Think back to when you were a kid and you had to watch the bottom of the television screen for your school to see if you had a snow day. Chances are, when you saw it, you celebrated. Students and teachers alike love snow days! It's an unexpected break from the day to day. It's a refresher in the monotony of life. For those of us lucky enough to be able to stay in out of the cold, it's a beautiful blanket of white that covers the earth. Isaiah 1:18 says, "Come now, let us reason together, says the Lord: though your sins are like scarlet, they shall be as white as snow; though they are red like crimson, they shall become like wool." Just as the snow covers the ground, Christ's death and resurrection covers us. We do not deserve it, but God gives it freely to us, making us white as snow. Jesus is the refresher from the sin of our lives, offering us eternal salvation. He is our Savior, and that is something to celebrate far more than any snow day!

HEARTLAND LUTHERAN HIGH SCHOOL HAPPENINGS

Student Voice

I am grateful for Heartland because of the amazing teachers, students, and curriculum. The school is small so the sports and other activities bring everyone together. I love how the teachers have a faith-based curriculum while teaching.

Save the Date for our Spring play production, directed by senior Ethan Olson: April 12-14, 2024

For the Spirit God gave us does not make us timid, but
gives us power, love, and self-discipline.
